A Tapestry of Voices: Collaboration

Collaboration. . .creating a community of voices uniting to share fine choral music in two of the most distinctive concert venues in the Greater Houston area.

This pair of concerts showcases high-achieving student groups, the award-winning Concert Chorale from the University of Houston and the accomplished Klein High School Chorale. It also brings together two well-established community choirs from the North Houston/Cypress Creek area and the Clear Lake/Bay Area in southeast Houston.
